Accessories

Laptop Stand with integrated fan for cooling

Laptop Stand includes a convenient 4-port USB hub

Footrest easily adjusts to four positions

Center drawer can be mounted independently

## Tools to Support your Productivity

Your work becomes simplified and efficient when items are organized and accessible. The right layout facilitates easy movement throughout the day.

### Laptop Stand

A lightweight flexible laptop stand for work, travel or home use.

- Two settings for height and angle adjustments
- Integral 4-port USB hub
- Built-in cooling fan lengthens battery life. Fan is powered by USB cable (provided)
- USB cable (included) powers the fan and connects you to the laptop

### Footrest

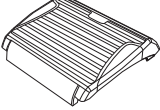

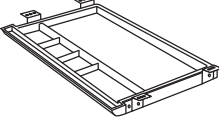

- Provides support for the legs, relieving pressure on the lower back, encourages proper posture and positioning
- Easy to adjust! Four incremental adjustments available allowing personal comfort

### Center Drawer Solution

- Conveniently installs under the worksurface for additional storage
- Smoothly glides open and closed on steel ball bearing track
- Divided tray has sections for typical office supplies, from paper clips to documents

Idea at Work provides office ergonomic products that offer superior value, performance and reliability.
